Dear Parents,

Enclosed is Registration Information for our next Tumbling Session with the 'Adel Tumbling Team'. Lessons begin in September 2025 and continue through May 2026. During this session your child will work various Tumbling Skills beginning at their appropriate level and progressing to higher levels. Students will mark their progress on Star Charts throughout the year. We will complete this session in May with our Annual Adel Tumbling Meet/Exhibition. An exciting time for everyone!

I personally have many years of experience in Tumbling/Gymnastics including competing, judging, coaching, and teaching. I also have a Great Staff of Coaches! All have been my students at one time! We look forward to the opportunity to help your child progress in their Tumbling Skills!

Whatever your goal may be, there are many benefits to good Tumbling/Gymnastic Training! It is a great cross-training sport and will benefit your child in any sport they are currently participating in or may in the future! Working all-over body strength, control, balance, flexibility, coordination, and agility! Our philosophy in teaching is to provide an enjoyable atmosphere for students to learn the proper techniques of Tumbling/Gymnastics. Starting with a solid foundation of the basic skills and helping each student progress individually in a safe manner!

If your child is interested in enrolling, please fill out the attached Registration Form and return it to the address listed above, with a \$35 Registration Fee (cash or check) per child ASAP! Note: We have a locked mailbox where forms can be returned. TUMBLING CLASSES ARE LIMITED AND FILL QUICKLY! IMPORTANT: Scheduling is initially determined according to the Registration Forms when received promptly. Please be specific on the Registration Form! It has become increasingly difficult to move students around once the schedule is set! You will be notified of your child's class time by mid to late August! NOTE: If there is not a suitable opening you will be notified, and your payment will not be processed! If an opening becomes available throughout the year, you will be contacted!

WE LOOK FORWARD TO A GREAT SESSION OF TUMBLING WITH YOUR CHILD! THANK YOU!

Sincerely~

Lori Rickert

ATTIRE: Girls should wear a leotard or unitard to class, and Boys a t-shirt (tucked in) and shorts or warm-up pants. No jeans or clothing with zippers. Please stay away from baggy clothing as this makes spotting difficult. Girls must wear their hair up and out of their eyes. Please avoid buns. A low ponytail works best. All students go barefoot.

PARENTAL VIEWING: The curtains will be open the First Lesson of each Month for parents to view their child's class. Children are always excited for their parents to watch them. Please keep in mind the students may pay more attention to their parents than their Coach during viewing.

BREAKS: We take breaks that coincide with the ADM Schools. You will be notified of these dates in advance. If ADM Schools cancel or dismiss early due to inclement weather, lessons will automatically be canceled. You can also check our Face Book page if you have questions!

ATTENDANCE: All lessons must be paid for whether your child attends as a place has been reserved for them. My students and their families are involved in many activities and conflicts are likely to occur. Requests for make-up classes seem reasonable to parents; however, honoring these requests can result in an over-crowding of classes and no student can benefit. Therefore, I cannot honor make-up requests and cannot be responsible for at-home decisions. The parents must decide which activity is to be sacrificed. However, if you have a concern of constant conflicts with your class time, please let me know. There may be a possibility of changing classes, if available.

CONSIDERATION POLICY: If your child decides to discontinue lessons before the session is completed; please notify me PRIOR to the beginning of the month they no longer plan to attend with a 30-day notice. Otherwise, once a student is enrolled, I assume they are continuing month-to-month throughout that session. If I have not been notified that a child plans to discontinue, you may be billed for the full month. Your cooperation is greatly appreciated! This can minimize any fees you owe and may allow someone else to participate! Thank you!

**WE ARE EXCITED TO HAVE YOU WITH US AND LOOK FORWARD TO TEACHING YOUR CHILD
